2. **The bonus details:**
 - The bonus amount is 20% of the deposit amount. The minimum deposit amount is \$100, and the client can apply a bonus for every deposit
 - The bonus will be in credit. And the maximum bonus amount for each client is \$20,000..
3. **The trading period:** 60 days from deposit date.
4. **Target clients for participating the promotion:** Clients in the STD group in MENA markets. If the client didn't have an STD account, the client can apply for an additional account to participate in the promotion. If the client has several accounts, the client can only select one account to participate in this promotion at the same time.
5. The client who is trading under a MAMM or PAMM system is not entitled to any bonus.
6. Bonus should be applied within 3 business days to be credited to the trading account.
7. Each client can only participate in this promotion with one account and can't participate repeatedly with an additional account.
8. The bonus is losable. The stop-out level of the bonus account is 30%. The client's fund will be lost first then the bonus. Please keep enough funds to prevent the orders from getting liquidated.

9. Withdrawal:

- If the client makes a withdrawal of the initial fund, the bonus will be deducted, and the promotion will be ended. Making internal transfers to another additional account will be considered a withdrawal.
- If the client makes a withdrawal of profit, the bonus will not be deducted.
- If the balance or the client's own equity after withdrawal (Balance or Equity after Withdrawal -Credit) is less than the initial fund because of withdrawal, or internal transfer, the bonus will be cancelled immediately. The client should be responsible for the possible losses.

10. Transfer credit bonus to balance: If the client reaches 25% standard volumes of the credit bonus in 60 days, the client can apply to transfer the credit bonus to the balance. Then the client can trade or make the withdrawal of the bonus after transferring the bonus to balance.

11. The bonus can't be withdrawn before the client reaches the required standard volume.

12. Expiry of promotion bonus: The promotion will expire in 60 days. If the client does not reach the required volume in 60 days, the credit bonus will be removed on the expiry date. The client should be responsible for the possible losses.

13. Volume: For products in normal contract size, 1 lot converts to 1 standard lot. For products in small contract sizes, 10 lots convert to 1 standard lot. The volume can't be calculated repeat if the client applied several times of bonus.

14. Position closed for more than 3 minutes will be eligible as a valid trading volume.

15. The client applying for negative balance protection will have their full bonus deducted to cover the negative balance protection. The client can deposit again and apply the bonus for their new deposit for a maximum \$20,000 threshold for each client.

16. This offer cannot be used in conjunction with any other offer before the bonus is removed.

17. During the promotion period, the balance/bonus cannot be transferred to any other person, cannot be transferred to other accounts held by the same client, or exchanged for other financial services or benefits provided by ONEPRO Global.

18. If the client is found to be engaged in fraudulent activities, hedging, arbitrage, bonus abusing, or abnormal trading, ONEPRO Global reserves the right to cancel the bonus, cancel the profit or cancel the related IB commission.

19. **ONEPRO** Global has the right to determine the granting of the credit based on the individual circumstances of the Client. All amounts are based on USD.
20. **ONEPRO** Global reserves the right to correct the trading calculation in the event of any suspected abuse or manipulation of this bonus policy and promotion.
21. **ONEPRO** Global reserves the right to unilaterally modify or terminate this offer or any of its Terms and Conditions at any time without the client's consent.

Risk Warning:

Trading Forex/CFD & Options on margin carries a high level of risk, and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to trade any such leveraged products you should carefully consider your investment objectives, level of experience, and risk appetite.

The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that you cannot afford to lose.

You should be aware of all the risks associated with trading on margin, and seek advice from an independent financial advisor if you have any doubts.
